Create a "Pop Art" Portrait from Digital File!

Andy Warhol is best known for his………. Ok, you tell me! In this assignment you will learn about this fascinating man and his unique photographic style.

This assignment should be a fun project that produces a "Pop Art" style self portrait. You will learn a little about Andy Warhol and the art movement that he founded while creating a unique work of art.

Finished Image to Turn In!

Assignment:

- Complete the Andy Warhol Biographical Worksheet on Microsoft Word. Print it out and turn it in to Mr. Dornan.

- Get a Nikon DSLR and take several self portraits in the back studio. You must use the self timer to take these photos. Check the online guide for the camera if you are not familiar with this function.

- Transfer your images into your flash drive. Choose your best image.

- Read the online tutorial below to complete the techniques using your self portrait as the subject. Print your finished image as shown in the example above. If finished early, you may do a second image for extra credit.

- Also, post your final image on your website under Class Assignments. Title the assignment: **Warhol Project.**
