## Time to make a Disney character come to life!

This is a terrific time to use your artistic abilities in different ways! You can put your own personal spin on one of your favorite Disney characters of all time! You can put any particular spin on this that you wish. The key is to be creative and have fun! Once you have chosen your character it is time to set up your photo shoot. Many of you will need to set up lighting in the backroom to compliment the portrait that you are shooting for. Experiment with different lighting, props, angles, views, compositions, etc. when taking your Disney photos. Think creatively!!!

## Assignment:

1. You are to take three different posed photos of your group member that has been creatively transformed. These three should have different angles and/or lighting.
3. Your assignment will be to have three different posed portraits of the same person posted to your website when you are finished.
4. You will post these photographs on your website on the Class Assignments Page. Label this assignment "Disney: Recreated".
5. Lastly, Have fun with this assignment and get creative!!!!!!
