

Photographing an oxymoron

Still Photo II: Mr. Dornan

Date Assigned:

Date Due:

Key Points:

- Representing oxymorons
- Be Creative
- Lighting

Equipment Needed:

- Nikon
- USB cable
- Smart phone

Project Requirements:

- Take at least 5 Photos
- Transfer to your Stick Drive
- Post them on your website under Class Assignments

Grading: 50 points

This photo assignment is about discovering oxymoron's out in society and documenting them through your photographs. Your job is to look around for some oxymoron's around school and in the community as you take photographs. Also, look up some oxymoron's and they may help you discover some photo opportunities here at school.

“Jumbo Shrimp”

“Alone in a crowd”

“Clean Dirt”

Assignment:

1. Research some fun oxymorons that you would like to recreate via a photograph.
2. Pick out at least five oxymoron's that you would like to photograph
3. Take at least five photos representing your oxymoron's while focusing on these three items:
 - lighting
 - focus
 - composition
4. After taking your photos, select your five that you want to use for representing your oxymoron. Next, edit your photos on Photoshop.
5. You will post these photographs on your website on the Class Assignments Page. Label this assignment “**Oxymorons**”. **Title each of your photographs according to the oxymoron that the photo represents.**
6. Lastly, Have fun and be creative!
